Food Grade varieties that do not meet specifications as outlined in the acreage contract will be paid the spot non-GMO premium to be determined at harvest

- Above varieties must be purchased through Snobelen Farms Ltd. or your local Snobelen Farms Ltd. seed dealer
- For S04-K9, S03-W4, S03-P4, S07-M8, and S12-J7 please contact your local Syngenta Seeds Canada Inc. dealer
- Identity Preserved soybeans stored on farm will receive a storage premium of \$0.55/bushel delivered to a Snobelen Farms elevator at discretion of Snobelen Farms Ltd. between January and August 2023
- All Identity Preserved soybeans must be grown from certified seed. The grower must sign a production contract prior to June 14th, 2022 and be able to provide suitable documentation in regards to seed tags, seed invoices, crop rotation, and chemical programs upon request
- All soybean premiums are based over the local board price
- The application of biofertilizer (solid or liquid) is prohibited 2-years prior to harvest
- Delivery points for each variety are subject to change
