

GROWING FORWARD. SINCE 1971.

SNOBELEN FARMS

Snobelen Farms Ltd. an independent, family owned company that was founded in 1971. We take pride in continually progressing our company and advancing our technology to serve our customers better, all while maintaining the small, family business feel. With eight locations we are able to serve the needs of growers across South Western Ontario.

We are currently in search of a **Facility Manager** for our BRANTFORD ONTARIO location.

Are you an **ambitious self-starter**? A **confident communicator**? And a **genuine team player**?

Come be a part of a company you will be proud of and where you will see both personal and career development. We are waiting for you!

This role will consist of:

- Working with a phenomenal team of **agriculture passionate** people
- Enjoying an environment that is **innovative**, flexible and caring
- Feeling **empowered** for your ability to think outside of the box and willingness to **create change**
- **Operation duties** include but are not limited to:
 - Execute and coordinate receiving, conditioning, storage, and shipping of grain
 - Manage grain quality, aeration and drying
 - Manage inventory and record keeping
 - Effective supervision of 2-4 employees including; work schedules, time, attendance
 - Analyze departmental operations and identify areas that require improvement
- **Maintenance duties** include assisting our Millwright team with the following:
 - Install, align, take apart and move industrial machinery and mechanical equipment according to layout plans
 - Operate equipment such as jacks, tractors, telehandlers and aerial platforms to position machinery and parts during the installation, set up and repairs of machinery
 - Rig material and equipment to be craned using hoisting and lifting devices. Direct crane operators using hand signals communication.
 - Install, troubleshoot and maintain power transmission, vacuum, hydraulic and pneumatic systems
 - Operate machine tools such as welders, cutting torches, and grinders to fabricate parts required during overhaul, maintenance or set up of machinery
 - Clean, lubricate and perform other routine maintenance work on machinery
- Building and maintaining a **strong safety culture**
- Support, motivate, and develop the Brantford location team

Skills Required:

- **Outstanding** written and verbal communication
- Customer interaction and **relationship** building
- Leadership & Motivation

- Confident decision making and decisive problem solving
- Drive for improving productivity and efficiency
- Strong Mechanical background (preferences given to those with Industrial Mechanic Millwright schooling)
- Ability to process information with **high levels of accuracy** in busy environments with tight deadlines
- Able to work at heights, in confined spaces, and noisy and dusty environments

Agriculture Experience an Asset but we are absolutely WILLING TO TRAIN!!!!

Due to COVID-19 we are only accepting applications via email, fax, or phone.
