*Food Grade varieties that do not meet specifications as outlined in the acreage contract will be paid the spot non-GMO premium to be determined at harvest*

- Above varieties must be purchased through Snobelen Farms or your local Snobelen Farms seed dealer
- For S03-W4, S04-K9, and S07-M8 please contact your local Silverline seeds dealer. For P07A10 please contact your local Pioneer seeds dealer.
- Identity Preserved soybeans stored on farm will receive a storage premium of \$0.60/bushel delivered to Snobelen Farms Lucknow elevator at discretion of Snobelen Farms Ltd. between January and August 2026
- All Identity Preserved soybeans must be grown from certified seed. The grower must sign a production contract and provide field maps prior to June 14<sup>th</sup>, 2025 and be able to provide suitable documentation in regards to seed tags, seed invoices, crop rotation, and chemical programs upon request
- All soybean premiums are based over the local board price
- The application of biofertilizer (solid or liquid) is prohibited 2-years prior to harvest
- Delivery points for each variety are subject to change
