Food Grade varieties that do not meet specifications as outlined in the acreage contract will be paid the spot non-GMO premium to be determined at harvest

- Above varieties must be purchased through Snobelen Farms or your local Snobelen Farms seed dealer
- For S03-W4, S04-K9, and S07-M8 please contact your local Silverline seeds dealer. For P07A10 please contact your local Pioneer seeds dealer.
- Identity Preserved soybeans stored on farm will receive a storage premium of \$0.60/bushel delivered to Snobelen Farms Lucknow elevator at discretion of Snobelen Farms Ltd. between January and August 2026
- All Identity Preserved soybeans must be grown from certified seed. The grower must sign a production contract and provide field maps prior to June 14th, 2025 and be able to provide suitable documentation in regards to seed tags, seed invoices, crop rotation, and chemical programs upon request
- All soybean premiums are based over the local board price
- The application of biofertilizer (solid or liquid) is prohibited 2-years prior to harvest
- Delivery points for each variety are subject to change
