

Grain Elevator Operator – Brantford Location

Join a team that's rooted in agriculture—but isn't actually a farm!

At Snobelen Farms, we're proud of our heritage, but let's clear something up: despite our name, we're not a farm. We're Ontario's largest independent, family-owned grain elevator, founded in 1971 when Mike and Judy Snobelen opened our first elevator in Ripley, Ontario.

Today, we operate eight locations across Southwestern Ontario and specialize in:

- Commercial Grains
- IP/Food Grade Soybeans
- Pedigree Seed

We're looking for a safety-focused and mechanically inclined Grain Elevator Operator to join our Brantford location and play a key role in our elevator operations and customer service experience.

What does a Grain Elevator Operator do?

- Grain Elevator Operators are responsible for operating our elevators. Simple right!? Not quite.
- The number one job for an Operator is safety! Working in a busy environment with specific working conditions such as heights and confined space requires employees who care about safety.
- Operators will provide excellent customer service while receiving product from local farmers.
- Using a PLC system, mechanical skills and our internal software program they will receive, manage and store the product through our elevator systems including pits, bins, dryers, etc.
- They are responsible to maintain the quality of the product by proper storing, transferring and conditioning – one location can have up to 200,000 MT at one time.
- It's not all glamorous work either, they are responsible for bin clean outs and general maintenance of the elevator.

What you can also look forward to:

- A rewarding, challenging, and progressive career with many opportunities for development.

- Feeling empowered for your ability to think outside of the box and willingness to create change
- Enjoying an environment that is innovative, flexible and caring
- Working with a phenomenal team of agriculture passionate people

What do we expect from you if you are applying:

- Grain elevator or agriculture experience is an asset but not required.
- Outstanding written and verbal communication
- Customer interaction and relationship building
- Exceptional problem solving, time management
- Ability to process information with high levels of accuracy in busy environments with tight deadlines
- Mechanically inclined
- Able to work at heights, in confined spaces, and noisy and dusty environments

Compensation & Benefits:

Pay: \$23.00-\$27.00 per hour + bonus pay & overtime

Benefits:

- Company events
- Dental care
- Disability insurance
- Employee assistance program
- Extended health care
- Life insurance
- On-site parking
- Paid time off
- RRSP match
- Vision care
- Wellness program

Schedule:

- Monday to Friday 8am – 5pm
- Overtime
- Weekends as needed

Ability to commute/relocate:

- Brantford, ON: reliably commute or plan to relocate before starting work (required)
