

## Join Our Team at Snobelen Farms Ltd.

Snobelen Farms Ltd. is a family-owned, Ontario-based agribusiness with deep roots in Bruce County. Established in 1971 by Mike Snobelen, today we are proud to be **Ontario's largest independent, family-owned grain elevator**, with eight locations across Southwestern Ontario.

We operate across three core business areas:

- Commercial grains
- IP/food grade soybeans
- Pedigree seeds

We specialize in the production, processing, and sales across all divisions, supporting local farmers and helping feed communities around the world.

We are currently hiring **seasonal Grain Grading Operator** to join us in **Ripley**.

In this role, you'll be a key part of our operations, serving as a first point of contact for customers while ensuring the **accuracy and quality of all inbound and outbound grain and seed** during our busy harvest season.

### Responsibilities:

- Operate scale house and grain grading equipment
- Weigh and record inbound and outbound loads
- Inspect and grade grain to ensure quality standards are met
- Provide friendly and efficient customer service
- Communicate clearly with drivers and team members
- Maintain a clean and organized work area

We're looking for individuals who thrive in a fast-paced environment, are dependable, and enjoy working both independently and as part of a team. Strong customer service skills and attention to detail are important. No prior experience is required; we are happy to train candidates who are eager to learn.

Harvest season requires flexibility, including **evenings, weekends, and extended hours**, as we stay open to support farmers while they bring in their crops.

If you're ready to be part of a hardworking, supportive team, we'd love to hear from you.

 Email your resume and cover letter to:
